- Board approved the minutes of 11-12-2019 meeting

Treasurer's Report

- Frank presented the profit and loss report/ check detail/ aging report
- a motion to accept the report
- motion approved unanimously

Roads:

- 1.) - We are going to get a specific price for lining the S Turn and vote on the project at the June meeting

Old Business:

- 1.) - The Board discussed the Ford Hyland property - the township has received numerous complaints about the property. On 12/3/2019, the zoning officer representing Jefferson Township and Frank Kane representing the sewer authority met at the property on East Shore Drive to assess the condition of the property.

- o The Jefferson Township Board will be meeting on 12/9/2019 at 7:00 To determine whether or not the structure should be condemned.

- 2.) - The fish committee was allotted \$1500.00 in October to stock the lake. The fish were delivered to the lake in October. The Board may do the ordering with the next acquisition as the agreed upon order was not delivered

- 3.) - Maggie Mariotti and Kevin Clarke met with John Meehan of Fabcor to develop options for the weir. He recommended a repair of the existing walkway. He will write up a design and associated costs and get back to us.

New Business:

- 1.) - the mail person has been having trouble finding enough space in the mailboxes to deliver packages. Betty Burns called the Postmaster over at Lake Ariel and was told that there is enough room to add more mailbox units. Frank will look at the number of existing mailboxes relative to the number of year round residents

- 2.) - Maggie Mariotti will send out an email with holiday greetings as well as a reminder to residents to use the "mailbox road" entry

Meeting was adjourned at 7:30  
Next Meeting will be 1/14/2020 at 6:00
