

Moosic Lake Board Meeting
June 4, 2019

Joe McGraw, Kevin Clarke, Ruth Burke, Frank Kane and Maggie Mariotti were in attendance.

ROADS:

- Sam Wilmot will be starting the road work on 6/12/2019 - heavy spring rains have delayed the work
- S Turn permits are still in process

SECURITY:

- Speed bumps will be put in after roadwork

LANDS:

- NC Outdoor will get the contract for the lake road work - the Roads Committee will follow up to make sure the work is completed
- Glenn Lesh will take care of the Beach House

LAKES:

We discussed the toxicity of fireworks - Joe will present information about aluminum, copper, barium and Cadmium, the arsenic in the Chinese fireworks and its cancer connection.

- we should test our water the day before and the day after
- We can suggest that only ONE show be done from the Beach House
- WEED TREATMENT - of the Little Lake will be started in June -
- Property Owners should not use chemical lawn treatments - (examples of tumors on fish)

MISCELLANEOUS:

- By Laws - are ready for legal review
- Bulletin Board will be done the week school lets out - by the local Boy Scouts with Alison McHale and Ian Farr

Meeting was adjourned at 7:00 pm
General Membership meeting will be held on June 9th at 11:00am
